

ARROW

TRUCK SALES

Arrow Truck Sales, Inc. Facts At-A-Glance

Company History: Arrow Truck Sales, Inc. began operations in 1950 from a small used truck lot in downtown Kansas City, Missouri. From the initial start-up, the company has followed the principle of providing high-quality, pre-owned vehicles to customers who want to maximize the value of money.

Full Disclosure: Arrow has always followed a policy of honesty and full disclosure. They place high value on the reputation they've built throughout the North American trucking industry.

Arrow's Pledge: "We are not going to jeopardize our reputation for the sake of avoiding a little work or for a short-term profit based on misleading practices. Our word is our bond."

Huge Computerized, National Inventory: Access to more than 2,000 high-quality, pre-owned vehicles in stock and ready for immediate delivery. Over-the-road tractors, day cabs, van body truck, even refrigerated and dump trucks.

Convenient Locations: Eighteen sales facilities located across the United States and Canada.

Professional Staff: Knowledgeable and experienced sales staff.

Arrow Certified™ Trucks: Arrow Certified™ trucks undergo a rigorous inspection and reconditioning. Then they back them up with a six-month/50,000 mile limited warranty.

90-Day Warranty Ready Truck Program: Arrow leads the used truck industry by offering protection to our customers against costly engine and transmission repairs for the first 90 days, with no deductible.

Extended Warranty Programs. Now buyers can be protected from comprehensive engine failures for up to 3 years/300,000 miles

Extensive Reconditioning Process: Every Arrow truck goes through a multi-point inspection process to ensure the truck is road-worthy and ready to go to work.

Arrow Exclusives: Arrow currently offers many exclusive programs that set them apart from their competition, including Arrow Action Service and Extended Warranty programs.

On-site Financing: A smart, convenient way for our customers to finance their trucks with flexible financing arrangements.

Fleet Sales: Arrow is dedicated to serving the purchasing needs of small- to large-sized corporate fleets. With quality-matched units in lots of 100 or more, it is becoming an even better business decision to buy pre-owned.

International Sales: Arrow is expanding its international business to satisfy the needs of worldwide commerce through Internet and global marketing efforts.

Buying Power: As the leading used truck retailer in North America, Arrow is constantly in the need of quality equipment. Whether you are a dealer, wholesaler or someone who just wants to sell their truck, the Purchasing & Sales Division at Arrow Truck Sales can help with the disposition of equipment.
